

AUDA StreetScape Update

July 20, 2011

CONSTRUCTION PROJECT UPDATE

From July 20th–27th, please anticipate construction work to continue between Elder's Station & Pine Street. Hansen Brothers will continue forming up the curb, gutter and sidewalk on the north side of Lincoln Way starting at Elder's Station and moving towards Pine Street by July 25th. The driveway entering into the public parking lot by Elder's Station is expected to be completed and open this Friday.

Due to the sidewalk construction, the sidewalk on the south side of the road (State Theatre side) should be utilized by pedestrians. Construction will occur throughout the entire project area to facilitate work on the undergrounding of utilities.

Hansen Brothers will continue to have traffic control between Elder's Bus Station and Pine Street with one traffic lane open in each direction on Lincoln Way to facilitate the trenching work. The lanes of traffic will shift according to the construction work. Construction will have no impact on Wednesday Night Live.

Please anticipate some delays on Lincoln Way. We regret this inconvenience and ask our residents, businesses and visitors to be patient and considerate during the project. The construction will occur over the next five months.

Please remember that businesses are open during construction and there is public parking located on Lincoln Way near Elder's, near Depoe Bay and off E. Placer St.

More information on the Streetscape Phase II Project can be found online at:
